RECOMMENDATIONS

"Coach Saintignon is one of the hardest working coaches that I have been associated with. As a high school coach, he got the most of the players, taught them to use basketball as a tool to get their education and moved them onto college."

**JIM ROSBOROUGH, FORMER
UNIVERSITY OF ARIZONA
ASSOCIATE HEAD COACH**

"I contacted Coach Saintignon when I first took this job as I knew it was a daunting task, being my first time as a GM and I needed someone who not only could run the team, but help me in the front office with decisions and as a guide through the haze of professional basketball. He was an excellent hire as he got the players to play together and share the ball and to be professional on and off the court."
